

## Responsible Business Alliance

Advancing Sustainability Globally

September 26th, 2019

Dear Helena,

Thank you for your application to join the Responsible Business Alliance (RBA), formerly the Electronic Industry Citizenship Coalition Inc. (EICC). The Board of Directors reviewed your application and has approved your company, **Advania AB**, to join as a Regular Member. Congratulations and welcome to the RBA!

RBA staff will host an onboarding session with you, at your convenience, to review the background and structure of RBA, provide information on work groups, task forces and projects, demo the member tools, and answer any questions you may have.

Again, welcome to the RBA and we look forward to working together to improve efficiency and social, ethical, and environmental responsibility in the global supply chain.

Best regards,

Robert Lederer  
RBA Executive Director
